Volatile acidity	0,50	gr.ac.acético /dm ³
Total acidity	4,05	Gr. Ac. Tartárico / dm ³
pH	3,96	

Sensory analysis

In ground hot Transmontana, born this noble nectar produced from Touriga-Nacional and Tinta-Amarela. Colour closed violet ruby. Intense flavour of red fruit, violet and some spice. Very structured in mouth with good acid freshness. Balanced, round with an excellent persistent in mouth with notes of fruit.

Pack characteristics
